**BIRDS OBSERVED AT THE MUSKEGON LAKE NATURE PRESERVE**

compiled by Brian Johnson, last updated November 2011

Canada Goose	summer resident	common
Mute Swan	summer resident	common
Tundra Swan	migrant	uncommon
Wood Duck	summer resident	fairly common
Gadwall	winter resident	fairly common
American Black Duck	winter resident	uncommon
Mallard	summer resident	common
Blue-winged Teal	migrant	fairly common
Northern Pintail	winter resident	uncommon
Ring-necked Duck	migrant	fairly common
Bufflehead	winter resident	fairly common
Hooded Merganser	migrant	fairly common
Common Merganser	winter resident	fairly common
Wild Turkey	permanent resident	uncommon
Pied-billed Grebe	summer resident	fairly common
Double-crested Cormorant	migrant	fairly common
Least Bittern	summer resident	uncommon
Great Blue Heron	summer resident	common
Green Heron	summer resident	fairly common
Black-crowned Night-Heron	migrant	uncommon
Turkey Vulture	summer resident	fairly common
Osprey	summer resident	fairly common
Sharp-shinned Hawk	migrant	uncommon
Cooper's Hawk	summer resident	fairly common
Broad-winged Hawk	migrant	uncommon
Red-tailed Hawk	summer resident	fairly common
Rough-legged Hawk	winter resident	uncommon
Sora	summer resident	uncommon
Common Gallinule	summer resident	rare
American Coot	summer resident	fairly common
Killdeer	summer resident	fairly common
Spotted Sandpiper	summer resident	uncommon
Solitary Sandpiper	migrant	uncommon
Greater Yellowlegs	migrant	uncommon
American Woodcock	summer resident	fairly common
Ring-billed Gull	summer resident	common
Herring Gull	summer resident	fairly common
Caspian Tern	migrant	fairly common
Forster's Tern	migrant	uncommon
Rock Pigeon	permanent resident	fairly common
Mourning Dove	permanent resident	common
Black-billed Cuckoo	summer resident	uncommon
Great Horned Owl	permanent resident	fairly common
Chimney Swift	summer resident	fairly common
Ruby-throated Hummingbird	summer resident	common
Belted Kingfisher	permanent resident	common
Red-headed Woodpecker	summer resident	uncommon
Red-bellied Woodpecker	permanent resident	fairly common

Sheet1

Yellow-bellied Sapsucker	migrant	fairly common
Downy Woodpecker	permanent resident	common
Hairy Woodpecker	permanent resident	fairly common
Northern Flicker	summer resident	common
Pileated Woodpecker	permanent resident	rare
Olive-sided Flycatcher	migrant	rare
Eastern Wood-Pewee	summer resident	uncommon
Yellow-bellied Flycatcher	migrant	uncommon
Alder Flycatcher	migrant	fairly common
Willow Flycatcher	summer resident	fairly common
Least Flycatcher	summer resident	fairly common
Eastern Phoebe	summer resident	fairly common
Great Crested Flycatcher	migrant	uncommon
Eastern Kingbird	summer resident	fairly common
Northern Shrike	winter resident	uncommon
Yellow-throated Vireo	migrant	uncommon
Blue-headed Vireo	migrant	fairly common
Warbling Vireo	summer resident	common
Philadelphia Vireo	migrant	fairly common
Red-eyed Vireo	summer resident	fairly common
Blue Jay	permanent resident	common
American Crow	permanent resident	fairly common
Purple Martin	summer resident	uncommon
Tree Swallow	summer resident	common
Barn Swallow	summer resident	common
Black-capped Chickadee	permanent resident	common
Tufted Titmouse	permanent resident	fairly common
Red-breasted Nuthatch	migrant	fairly common
White-breasted Nuthatch	permanent resident	fairly common
Brown Creeper	migrant	fairly common
Carolina Wren	permanent resident	rare
House Wren	summer resident	common
Winter Wren	migrant	fairly common
Sedge Wren	summer resident	uncommon
Marsh Wren	summer resident	fairly common
Blue-gray Gnatcatcher	summer resident	fairly common
Golden-crowned Kinglet	migrant	common
Ruby-crowned Kinglet	migrant	common
Veery	migrant	uncommon
Gray-cheeked Thrush	migrant	fairly common
Swainson's Thrush	migrant	fairly common
Hermit Thrush	migrant	common
American Robin	summer resident	common
Gray Catbird	summer resident	common
Northern Mockingbird	migrant	rare
Brown Thrasher	summer resident	fairly common
European Starling	permanent resident	common
Cedar Waxwing	summer resident	common
Ovenbird	migrant	fairly common
Northern Waterthrush	migrant	fairly common
Blue-winged Warbler	summer resident	uncommon

Sheet1

Black-and-white Warbler	migrant	fairly common
Tennessee Warbler	migrant	fairly common
Orange-crowned Warbler	migrant	fairly common
Nashville Warbler	migrant	common
Connecticut Warbler	migrant	uncommon
Mourning Warbler	migrant	common
Common Yellowthroat	summer resident	common
American Redstart	migrant	common
Cape May Warbler	migrant	uncommon
Magnolia Warbler	migrant	common
Blackburnian Warbler	migrant	uncommon
Yellow Warbler	summer resident	common
Chestnut-sided Warbler	migrant	fairly common
Blackpoll Warbler	migrant	fairly common
Black-throated Blue Warbler	migrant	uncommon
Palm Warbler	migrant	fairly common
Pine Warbler	migrant	uncommon
Yellow-rumped Warbler	migrant	common
Black-throated Green Warbler	migrant	uncommon
Canada Warbler	migrant	uncommon
Wilson's Warbler	migrant	common
Eastern Towhee	summer resident	fairly common
American Tree Sparrow	winter resident	common
Chipping Sparrow	summer resident	uncommon
Field Sparrow	migrant	uncommon
Savannah Sparrow	migrant	rare
Fox Sparrow	migrant	fairly common
Song Sparrow	summer resident	common
Lincoln's Sparrow	migrant	fairly common
Swamp Sparrow	summer resident	fairly common
White-throated Sparrow	migrant	common
White-crowned Sparrow	migrant	common
Dark-eyed Junco	winter resident	common
Scarlet Tanager	summer resident	uncommon
Northern Cardinal	permanent resident	common
Rose-breasted Grosbeak	summer resident	fairly common
Indigo Bunting	summer resident	uncommon
Red-winged Blackbird	summer resident	common
Rusty Blackbird	migrant	fairly common
Common Grackle	summer resident	fairly common
Brown-headed Cowbird	summer resident	fairly common
Baltimore Oriole	summer resident	fairly common
Purple Finch	winter resident	fairly common
House Finch	permanent resident	common
Pine Siskin	migrant	uncommon
American Goldfinch	permanent resident	common
House Sparrow	permanent resident	fairly common
